Who are Holiday Explorers?

Holiday Explorers Inc, is a non-profit association established in 1988. Providing holidays for South Australians with intellectual disability over 16 years of age, we offer capacity and skill building opportunities and life changing experiences.

How much do the holidays cost?

There is an NDIS and Non-NDIS price due to the different ways our Clients are funded to use services like ours.

Total Fee: The total cost of providing the holiday.

NDIS Payment: the part of the overall cost which is claimed through the Client's NDIS Plan budget.

NDIS Client Gap: The balance payable by the Client prior to the trip. This is not claimable under NDIS funding. Holiday Explorers follows the NDIS pricing guidelines.

Who would I be going with on my holiday?

You'll be going with at least one other Client and two or more volunteer Support Staff, we aim to provide one on one support for all holidays. Where practical, you will be participating with people in the same age group with similar interests, wanting to achieve similar goals. Support Staff are volunteers trained and registered with Holiday Explorers to be tour guides and provide assistance for the Clients as required. Paid Support Staff are engaged to provide higher intensity support.

How do Support Staff find out what assistance I might need on a holiday?

The Support Staff are advised about the assistance you may need by the Holiday Explorers Client Coordinators. Your nominated Key Contact is required to contact us before each holiday to update this information. The Support Staff are trained to treat information about you in the strictest confidence. They sign a confidentiality agreement, and at the end of the holiday, return all information about you to the Holiday Explorers office where it is securely retained.
